

Midway Reading Tip of the Month

April 2021

If your finding that your child is struggling with reading you may want to try one or more of these tips.

Reflect: What will you take away with you? How have you changed after reading this text?

Compare and Contrast: Ask yourself: What is the same? What is different?

Question: What don't you understand? What words are familiar? What confused you? What made you wonder?

- Ask yourself questions while you read.

Re-read: When you get confused return to the beginning of the sentence or paragraph and reread it slowly and carefully.

Last Month's Tips:

Predict: What might happen in the story or what information might be in the text?

Infer: What conclusions can you create based upon what you know and the clues from the text?
