Title I Parent and Family Engagement Plan

School Year: 2026-2027
School: Midway Elementary
Program: Title I Parent and Family Engagement Program

Purpose: The purpose of this Parent and Family Engagement Plan is to increase meaningful family involvement in support of student academic achievement and school safety. Through family engagement events, communication, and collaborative partnerships, the school will provide opportunities for parents to participate in their child's education and gain skills that support learning at home.

Goal 1: Increase Family Participation in School Activities

Objective: Increase parent and family attendance at school-sponsored events by providing engaging opportunities that strengthen the home-school connection.

Activities

- **August:** Back-to-School Night
- **September:** Hot Dog Grill and Thrill Night/Student School Safety Presentation 1
- **October:** PTO Fall Festival
- **November:** Veterans Day Assembly
- **January:** PTO Penny Wars//Student School Safety Presentation 2
- **April:** America's Hope Program

Expected Outcomes

- Parents become familiar with school expectations, curriculum, and programs.
- Families build positive relationships with teachers and staff.
- Increased parent participation in school activities.

Measurement

- Sign-in sheets at each event.
- Parent participation data compared to previous year.
- Parent feedback surveys following major events.

Target: At least 75% of families will attend one or more family engagement activities during the school year.

Goal 2: Strengthen Home Support for Mathematics Achievement

Objective: Provide parents with strategies and resources to support student learning in mathematics at home.

Activity

- **January: Math Night**

Expected Outcomes

- Parents gain understanding of grade-level math standards and expectations.
- Families learn games and activities that reinforce math skills at home.
- Students demonstrate increased confidence and engagement in mathematics.

Measurement

- Attendance records.
- Parent surveys measuring confidence in helping with math homework.
- Review of student math assessment data.

Target: 80% of participating families will report increased confidence in supporting math learning at home.

Goal 3: Promote Family Engagement in Science, Technology, Engineering, and Mathematics (STEM)

Objective: Increase student and family interest in STEM learning through hands-on experiences and collaborative activities.

Activity

- **April: STEM Night**

Expected Outcomes

- Families participate in hands-on STEM challenges.
- Students develop curiosity and problem-solving skills.
- Parents learn ways to encourage STEM learning beyond school.

Measurement

- Attendance records.
- Event surveys.
- Student and parent feedback.

Target: At least 100 students and family members will participate, with 85% reporting a positive learning experience.

Goal 4: Improve Parent-Teacher Communication

Objective: Foster ongoing communication between families and school staff regarding student progress and achievement, including safe school.

Activities

- **September:** Safe School Presentation and Parent Confirmation

- **October:** Fall Parent-Teacher Conferences
- **January:** Winter Parent-Teacher Conferences

Expected Outcomes

- Parents gain a clear understanding of their child's academic strengths and areas for growth.
- Teachers and families collaborate on student learning goals.
- Increased family involvement in academic planning.

Measurement

- Conference attendance records.
- Family communication logs.
- Parent survey responses.

Target: 95% of students will attend at least one parent-teacher conference.

Goal 5: Expand Community and Family Partnerships

Objective: Develop opportunities for families to participate in school-wide activities that recognize community involvement and student success.

Activities

- **Veterans Day Assembly**
- **America's Hope Program**
- **PTO-sponsored events**

Expected Outcomes

- Stronger connections between school, families, and community members.
- Increased family awareness of available school and community resources.
- Enhanced school climate and student engagement.

Measurement

- Event attendance records.
- Feedback surveys.
- Community partner participation data.

Target: Increase family and community participation in school events by 10% over the previous school year.

Evaluation of the Plan

The Parent and Family Engagement Plan will be reviewed annually using:

- Event attendance data
- Parent surveys

- Student achievement data
- Conference participation records
- Feedback from parents, staff, and the Title I committee

Results will be used to revise and improve future family engagement opportunities and ensure activities continue to support student academic success.

Title I Annual Parent Engagement Goal:
By the end of the school year, at least 75% of families will participate in one or more Title I parent engagement activities, and 80% of participating families will report that the events provided strategies or information that helped them support their child's learning at home.
